Reference 200901931

Dear Mr Elsdon

**COP 200901931: APPLICATION FOR APPROVAL FOR THE OFF-LABEL USE OF
'AVADEx EXCEL 15G' AS AN AGRICULTURAL/
HORTICULTURAL HERBICIDE ON WINTER & SPRING
OILSEED RAPE. NO DATA PROCEDURE**

1. The Chemicals Regulation Directorate of the Health and Safety Executive (HSE) has now completed evaluation of the application for approval of the following product:

Product name: 'Avadex Excel 15G' (contains tri-alleate)

MAPP number: 12109

Marketing company: Gowan Comercio Internacional e Servicos Limitada
Avenida do infant 9004-521, Funchal, Madeira
Portugal.

2. The evaluation related to your company's request for an extension of use for this product on winter and spring oilseed rape. Your application was dated 02 November 2009 and paid for on the 12/01/2010.
3. The application described in paragraphs 1 and 2 has been considered and the Secretary of State and the Scottish Ministers (as regards Scotland) and the Welsh Ministers and the Secretary of State (acting jointly as regards Wales) have agreed to:
 - (i) full approval as set out in the attached Notice of Approval expiring on 31 December 2013 (unless earlier decisions are made or further prescribed extensions are granted).

4. IMPORTANT NOTES:

- (i) All approvals remain subject to immediate revocation, suspension or amendment of the conditions of approval at any time, if safety considerations so demand.
- (ii) This approval is given without prejudice to the outcome of any review, which may result in further label amendments being required or data requirements with specific data submission deadlines being set.

5. Copies of this covering letter and approval are being distributed to the Registration Officer of the product's Approval Holder and Marketing Company and Mrs V Powell at the horticultural development council.

Yours sincerely,
