## OILSEED RAPE, PULSES, LINSEED & OATS

Harvest '24 pea, linseed, and oat contracts are now available with strong interest being shown for current terms. Contact your Area Manager for further information. Produce of area contracts are on offer across all commodities, as long as the whole crop area is contracted. This provides assurances of no cap loads in case of under production and guarantees movement in the event of over production.

cap leads in ease of under production and guarantees movement in the event of ever production.
