To place your order, call your local United Oilseeds area manager or our head office: 01380 729200

**Kielder**

**Special Early Bird Offer!**

Buy before 31 March 2018 and get Deferred Payment until 30 April 2019 – SRP £245 (4m seed bag)

**Kielder**

Winter Oilseed Rape

- Excellent vigour in autumn (and spring) – a good defence against cabbage stem flea beetle
- Very stiff straw, providing resistance to lodging and easier/cheaper harvesting

- **RECOMMENDED**
- **AHDB**

**Winter Oilseed Rape**

- Excellent vigour in autumn (and spring) – a good defence against cabbage stem flea beetle
- Very stiff straw, providing resistance to lodging and easier/cheaper harvesting

**Kielder Characteristics**

Kielder has an ideal set of characteristics for the north and is proving valuable for growers from North Lincolnshire upwards.

- It combines a good yield with very high oil content and offers the high LLS resistance and stiffness required for success in this region
