United Oilseeds
THE LEADING BREAK CROP SPECIALIST

Spring oilseed rape opportunity

BUY BACK CONTRACT 2024 – Limited Availability!

United Oilseeds is offering a new produce of area contract for growers across the UK for their spring oilseed rape in 2024 (While stocks last). We've identified three premium Spring OSR varieties suitable for this contract. Full variety details below.

The offer: **£400 Ex Farm all-in price**

Purchase seed from United Oilseeds, agree the produce of area contract and adhere to the contract specification below. We'll then pay £400 per tonne.

Contract Specification

- Maximum 9% Moisture
- Minimum 40% Oil Content
- Maximum 2% Admixture
- FOSFA Bonuses not applicable
- NON-Default contract providing United Oilseeds receive the full area of produce

Seed will be sold on a first come first served basis and will be one of three varieties that all appear in the NIAB Descriptive List 2024 and are placed in the top 4!
